VAG GROUP :PAINT CODE SYSTEM

VOLKSWAGEN/AUDI/SEAT/SKODA

In the booth a sticker with the color code : LXxX

L = starting letter (= Lackierung/Lack)

X = used to be indication of car/country = E = USA

F = SKODA

G = Mexican car

I = Brasil

M = Porsche

Q = South-Africa

S = Seat

Y/Z = Audi

x = number referring to the color following the RAL system

1=beige/yellow

2=orange

3=red

4=violet

5=blue

6=green

7=grey

8=brown

9=white/black

X letters chosen at random

Sometimes letters (Y/Z/S) can be shared between Volkswagen/Audi and Seat

For instance : LY3D = tornadorot : on Volkswagen and Audi

A second codification : letter + figure - listed in folders/brochures.

This is a salescode.
